**Petite
Friture**
TICKLING DESIGN FOR 10 YEARS

COLLECTION
2021

PETITE FRITURE, LIBRE GARDE design editor, was founded 10 years ago by Amélie du Passage, placing bold, talented, emerging designers at the heart of its singular collections.

Its vocation: to arouse emotions that send out vibrations through time and space. Each project is born of an intuitive and optimistic encounter between designer, editor, and manufacturer.

Petite Friture is proud to take a stand, to seek out the best solutions at every step of the way, to use the right techniques and right people to better serve the planet and do something good.

From an effervescent blend comes a sense of drive, a desire to work towards something sincere.

Transparency, respect, dialogue - our brand is one that seeks a sustainable future for decades to come. Petite Friture is more than just a design editor, it is a state of mind grounded in trust and optimism. Its ambition is to create virtuous beauty that will last for many years to come.
