Autumn/Winter 2019 collection

A / W

The 2019 Slow Collection is based on honest materials and usable colours for a calm and fundamental yet sophisticated atmosphere. For our Autumn/Winter additions we introduce four new colours: Amber, Ocean, Terra and Walnut. Deep colours that bring a sense of nature inside, the green and blue hues of a stormy sea, the burned browns of the autumn leaves in the forest. Sense the collection and take your time to slow down and enjoy all our handmade products.
